

# Final race "BOATS4SCHOOLS"

The final competition is part of the European project "Boats4schools"

Erasmus+ **AGREEMENT n° 2017-1-PT01-KA201-035868**

## APPLICATION FORM

The Teams, each one made up of a maximum of 5 students aged between 13 and 19 years (indicate a 6th as a possible reserve), from the Planck Institute and other Italian or European institutes will design and build a "mini boat".

### Objectives

- To increase young people's curiosity about future STEAM career paths and promote enthusiasm for these career options.
- To offer young students the opportunity of direct experience of STEAM practical contents and skills in a playful and educational approach.
- To involve teachers and experts from the world of work to guide young students in pursuing STEAM careers by highlighting the opportunities available in the job market.
- To address the problem of the low numbers of young people (especially women) choosing STEAM studies such as mathematics, engineering, and other applied sciences through more innovative teaching methodologies.
